

10 ways Spirit Dental simplifies your dental insurance experience

1. No waiting periods

Spirit Dental covers a wide range of services, including implants and major procedures, without imposing waiting periods.

2. Next-day effective dates

You can start using your dental coverage as early as the day after enrollment, ensuring quick access to care.

3. A lifetime deductible

Instead of an annual deductible, Spirit Dental offers a single \$100 lifetime deductible.

4. High annual maximums

Spirit Dental offers one of the highest annual maximums, up to \$5,000, providing comprehensive coverage for extensive dental work.

5. Freedom to choose any dentist

Select your dentist, whether in-network or out-of-network, giving you more flexibility in your dental care.

6. Three cleanings per year

Unlike many standard plans that only cover two cleanings annually, Spirit Dental includes coverage for up to three cleanings per year.

7. Extensive network with significant savings

The Ameritas Dental Network is one of the largest in the nation—members enjoy savings of 25-50% off regular rates.

8. Simple enrollment

Compare and purchase plans with just a few clicks.

9. Affordable vision bundle

Option to bundle vision coverage for just \$7/month in most states, allowing you to protect both your dental and visual health at a low cost.

10. Customer guidance

Spirit Dental licensed agents are dedicated to helping you find the best coverage for your specific needs, offering expert advice and support.
