

4 Reasons Vision Insurance Matters

1

You save money on essential care

Eye exams can cost \$150+ without insurance. Vision coverage lowers these costs and helps you budget for routine care.

2

Find trusted vision care easily

Vision insurance connects you with large networks of optometrists and retail providers, making it easy to visit someone you trust.

101,000 access points at nearly 28,000 independent locations, and 22,000 retail chain access points at nearly 9,000 retail locations.

3

Coverage is flexible and fits your lifestyle

Whether you prefer glasses or contacts (or switch between both), vision plans offer an allowance to use however you choose.

4

Good vision supports your overall well-being

Clear sight impacts work, driving, reading and daily comfort. Vision insurance helps you maintain healthy vision throughout the year.

Why Direct Vision?
