Welcome to Avēsis and this guide, which explains how to use the member portal at www.avesis.com. While the website was designed to be intuitive, having this manual by your side will make it even easier to manage your vision and/or dental benefits. Screenshots will show you the way everything appears only to eliminate any doubt. Let's get started!

NAVIGATING TO THE NEW PORTAL

1. Go to www.avesis.com.
2. At the top right corner, hover over “Log in” and select “Members” under Commercial.

The navigation bar includes links for "Members", "Providers", "Government and MCO", "Benefits Managers", "Brokers", and "About". On the right side of the navigation bar, there is a "Log in" button highlighted with a red box. A dropdown menu is open from this button, showing two sections: "Government" and "Commercial". Under "Commercial", the "Members" option is highlighted with a red box. Below the navigation bar, the main content area features a large image of a family (a man, a woman, and a child) looking at a laptop. The text reads: "Complete specialty benefits" and "Life should be experienced completely. Improved access, equity, and better outcomes drive our solutions. We're transforming how specialty benefits are delivered to improve people's lives." At the bottom, there are three columns of content, each with a question and a corresponding button: "How do I use my Avēsis benefits?" with a "Member support" button, "How do I view information on Premier Access?" with a "Premier Access" button, and "How do I view information on Access Dental?" with an "Access Dental" button.
