Spirit Core PPO 2000

The Spirit Core PPO 2000 plan helps you cover the costs of dental care. Covered dental services include exams, cleanings, fillings and extractions, as well as crowns, bridges and dentures. Spirit Dental allows you to select your own Ameritas Dental Network provider and a plan that best fits the needs for you and your family. The Ameritas Dental Network is one of the nation's largest. You save when you use a network provider as these providers have contracted fees (MAC/maximum allowable charge) through their network agreement with Ameritas. When you use a network provider, discounted fees can generally be 25-50% below the average for your area. Visit [ameritas.com](https://www.ameritas.com) and select **Find a Health Provider** to find a provider near you. Simply enter your ZIP Code and choose the Classic (PPO) Network to start your search.

Plan includes a \$100 lifetime deductible combined for Preventive, Basic and Major Services. Lifetime deductible is per person covered by the plan.

Spirit Core PPO 2000 | This policy pays for covered dental expenses for in-network providers at the contracted fees (MAC) after the \$100 deductible has been satisfied on Preventive, Basic and Major Services. If you use an out-of-network dentist, you pay the difference between what the plan pays (MAB/maximum allowable benefit) and the dentist's actual charge.

General Information

ELIGIBILITY | Who is eligible to purchase the plan? The insurance coverage is available in states where it's approved to anyone age 18 and older who does not have coverage through another Ameritas dental plan. You can request coverage for your dependents; dependent eligibility varies based on state law.

DEDUCTIBLE AMOUNT | The deductible is shown in the coverage schedule. The deductible is an amount of covered dental charges incurred by an insured person for which no benefits will be paid.

PREDETERMINATION OF BENEFITS | It is recommended that a treatment plan/course of treatment be submitted when the total cost of eligible expenses for any insured is expected to exceed the amount shown on the coverage schedule. This should be submitted to us before the work is started. If actual services submitted do not agree with the treatment plan, or if a treatment plan is not sent in, we will base our payment on treatment consistent with reasonable and customary charges. Predetermination of benefits is not a guarantee of what we will pay. The estimated benefit payment is based on your current eligibility and benefits in effect at the time of the completed service. Submission of other claims or changes in eligibility or this policy may alter final payment.

TERMINATION OF COVERAGE | Coverage terminates on the earliest of the following dates: the last day of the month in which you cease to be eligible for coverage; the last day of the month in which your dependent is no longer a dependent, as defined; subject to the Grace Period, the last day of the month for which a premium has been paid by You or on your behalf; or the date the policy ends.

EFFECTIVE DATE | When you enroll online your coverage can start as soon as the next day. Do not cancel any other insurance or assume you are insured under this plan until you receive written confirmation. Please note your enrollment may take 4 business days to be processed and accessible through any network providers.

ELIGIBLE EXPENSES | Expenses must be incurred while the policy is in force and the person is covered by the policy. To become an eligible expense, the dental services must be performed by: a licensed provider performing dental services within the scope of their license; or a licensed dental hygienist acting under the supervision and direction of a dentist.

EXPENSES INCURRED | An eligible expense is considered incurred on the following dates: for full and partial dentures - on the date the final impression is taken; for fixed bridges, crowns, inlays and onlays - on the date the teeth are first prepared; for root canal therapy - on the date the pulp chamber is opened; for periodontal surgery - on the date the surgery is performed; for all other services - on the date the service is performed.

ALTERNATE BENEFIT | If we determine that a less expensive procedure, service, treatment plan/course of treatment that is customarily used to treat the dental problem and recognized by the dental profession to be appropriate according to broadly accepted standards of dental practice, then the maximum we will allow will be the charge for the less expensive treatment.

Member Savings

You may receive additional savings that can reduce out of pocket expenses:

- Save up to 15% off eyewear frames and lenses purchased at any Walmart Vision Center nationwide (savings does not include contact lenses or vision care materials).
- Save on prescription medications through any Walmart or Sam's Club pharmacy (membership at Sam's Club not required).
- Access to emergency vision provider referrals when traveling outside the U.S. through AXA Assistance.

Worldwide Support

AXA Assistance USA is part of a global organization with offices in more than 30 countries, where AXA Assistance professionals answer calls 24 hours a day to assist members traveling abroad.

Immediately after a call comes in, an assistance coordinator assesses the situation, provides credible provider referrals and can even help with making the appointment.

Dental or vision provider referral assistance services are independently offered and administered by AXA Assistance USA, Inc. (AXA). Providers referred by AXA are not members of the Ameritas network. Ameritas does not guarantee or make any representation as to the quality of the services provided by AXA or any provider referred by AXA. Referral to an AXA provider is not a guarantee of benefits, and all policy revisions and limitations would apply.

***Plan includes a one-time non-refundable enrollment fee of \$25. This charge will be made at the time of purchase and may appear as a separate transaction from your dental insurance.**
