Credit for Prior Coverage

Magnum plans offer a credit for prior coverage. You'll receive Year 2 benefits on preventive, basic and major services from day one, waiving waiting periods. To be eligible, you must have had a prior fully insured dental plan for at least 12 consecutive months, with a gap in coverage of no more than two months before the new plans effective date. CPC is not available if the prior plan was a DHMO, discount or schedule plan.
